CRAFTING VISION

Presented By

meijer

When someone is diagnosed with a condition that will result in a loss of sight or blindness, their responses are not only emotional in nature – anger, frustration, fear, and loss – but also include real questions about how to maintain an independent life.

Now in our 109th year, the Association for the Blind and Visually Impaired (ABVI) provides vision rehabilitation services to people of all ages with severe vision loss, teaching them how to remain active and self-sufficient.

Here is some “in-cider” information.... **Crafting Vision 2022 is coming!** This year, our event takes place on Thursday evening, October 13th, from 6:00 to 9:00 p.m. at Vander Mill Tap Room and Restaurant, 505 Ball NE, Grand Rapids, 49503. This casual, interactive experience will include hearty appetizers, beverages (featuring cider, of course), as well as the opportunity to learn more about ABVI... and some surprises! Sound “app-eel-ing?”

Your support will help a visually impaired employee learn how to use adaptive equipment to succeed at work...or train a parent to cook again for their family when they never thought they would...or the student learn how to use the white cane to be independent and to utilize public transportation...and so much more!

We are delighted to invite you to become a sponsor for Crafting Vision 2022. Attached are sponsorship levels and forms. Simply fill out the form and return it to ABVI by October 3rd, and you will be the “apple of our eye!” For questions, please contact Brad Kaufmann at 616-840-8898 or Brad.Kaufmann@maryfreebed.com.

Thank you in advance for your consideration and support. Looking forward to seeing you in October.

Sincerely,

The Crafting Vision 2022 Event Committee
